## November Programs at Anythink Perl Mack

DENVER—October 22, 2009—Creativity and family fun abound in November at Anythink Perl Mack. Visit us to see what's new and exciting this month.

### Special Programs

#### **Family Place Workshops**

##### **Tuesdays through Dec. 1, 11 am-12:15 pm**

Family Place Libraries™ is a network of children's librarians nationwide who believe that literacy begins at birth, and that libraries can help build healthy communities by nourishing healthy families. Parents and caregivers with children ages 0-3 are welcome to sign up for this five-week series. Different childhood experts will be on hand to talk to parents and play with children. Each week, new learning and exploration activities will be offered. Space is limited; registration is required. Please sign up at the service desk.

#### **Paint the Music**

##### **Saturday, Nov. 7, 2-3 pm**

This is a true "all ages" program and intended for an intergenerational experience. Individuals and families are encouraged to participate in this fun, musical, and creative project. Four different types of music will be represented as participants paint what they hear and feel. Please sign up for yourself or your whole family at the service desk. Let your creativity soar.

#### **Catch the Buzz at Perl Mack**

##### **Saturday, Nov. 21, 9:30-11 am**

Spend time with friends and neighbors on Saturday mornings at the library to catch the buzz from around town or just enjoy fresh-brewed coffee or tea and delicious breakfast pastries with the morning paper, courtesy of Peaberry Coffee.
