*****Media Advisory*****

Anythink Announces Media Tour of First Carbon-Positive Library in U.S.

What: Representatives from Rangeview Library District and its partners will speak on Tuesday, Dec. 15, about Anythink Brighton becoming the first public library in the country to be carbon positive. Speakers include Conor Merrigan, commercial buildings program manager, Colorado Governor's Office of Energy; Pam Sandlian Smith, library director, Rangeview Library District; Dennis Humphries, principal, Humphries Poli Architects P.C.; and John Pittman, president, Fransen Pittman General Contractors.

A guided tour highlighting the building's energy-efficient features, including roof access for photo opportunities of the solar photovoltaic system, will be provided.

When: Tuesday, Dec. 15, 2009, 1 pm

Where: Anythink Brighton Meeting Room
327 E. Bridge Street
Brighton, CO 80601

About Anythink™

Anythink is a new style of library – a place of unlimited imagination, where play inspires creativity and lifelong learning. Rangeview Library District serves the residents of Adams County with six Anythink libraries and [Anythink in Motion](#) – the district's mobile library. Construction is underway on two new libraries scheduled to open in 2010. For more information, go to anythinklibraries.org.
