## August Programs at Anythink Wright Farms

THORNTON, Colo.–July 22, 2010–Anythink Wright Farms is finally open and offering fabulous programs for individuals of all ages. Whether you're interested in social networking or story times, Anythink Wright Farms has something for you.

### Special Programs

#### Anythink Thursdays

##### **Thursdays, 3:30-4:30 pm**

An after school program for elementary-age kids. Space is limited; registration required. Please visit our online calendar to register.

- |         |   |
|---------|---|
| Aug. 5  | <b>Soap Kit</b> – Make your own custom-designed soap. Appropriate for kids grades 4-6.  |
| Aug. 12 | <b>Readers' Theater</b> – Enjoy drama without having to memorize in this Readers' Theater session. Appropriate for kids grades 3-5.   |
| Aug. 19 | <b>Codes &amp; Ciphers</b> – After learning a few codes and ciphers, use your new skills to decode clues to find hidden treasure in the library. Appropriate for kids grades 4-6. |
| Aug. 26 | <b>Dragonology</b> – This program is all things dragon for the true dragon fan: craft, activities, and games. Appropriate for kids grades 3-5.                                    |

#### Good Times with Goodreads

##### **Tuesday, August 24, 7 pm**

Social networking for booklovers! See book recommendations from friends and strangers, make lists of books you want to read, rate and review the books you've already read, and even join the Anythink discussion group. Participants will learn how to set up a free Goodreads account, add books, find friends, and use other features. Basic Internet skills and email account required. Space is limited; registration required. Please visit our online calendar to register.

## Tech Programs

### **Connect! - Facebook 101**

**Tuesday, August 10, 7 pm**

Become one of the more than 400 million Facebook users. Connect with friends, family, and classmates around the world. Share photos, send messages, and even play games. Participants will learn how to set up a Facebook account, create a profile, manage privacy settings, and build their social network. Basic Internet skills and email account are required. Space is limited; registration required. Please visit our online calendar to register.

### **Connect! - Email 101**

**Wednesday, August 11, 10 am**

No postage necessary! Email allows you connect with friends, family, and employers with the click of a button. Participants will learn how to set up a free email account with Gmail and get started sending and receiving emails. Basic computer skills required. Space is limited; registration required. Please visit our online calendar to register.

### **Technophobe No More**

**Wednesday, August 18, 10 am**

Tired of being intimidated by computers and don't know where to start? Be empowered and join us for an orientation to computer basics. Participants will learn the basic components of a computer, related terminology, and operating procedures. Space is limited; registration required. Please visit our online calendar to register.

### **Welcome to the Googleplex**

**Wednesday, August 25, 7 pm**

Did you know that Google is much more than search engine? Come explore Google's other offerings such as personal calendars, online word processing, and photo editing. Participants will learn how to set up a Google account and be introduced to Google's many free products and services. Basic Internet skills and email account required. Space is limited; registration required. Please visit our online calendar to register.

*All events are free and open to the public. For more information, please call Anythink Wright Farms at 303-405-3200; visit the library at 5877 E. 120<sup>th</sup> Ave., Thornton, CO 80602; or go to [anythinklibraries.org](http://anythinklibraries.org).*

### **About Anythink™**

Anythink is a new style of library – a place of unlimited imagination, where play inspires creativity and lifelong learning. Rangeview Library District serves the residents of Adams County with six Anythink libraries and [Anythink in Motion](#) – the district's mobile library. Construction and renovations are underway on three existing libraries, all scheduled to open in 2010-2011. For more information, go to [anythinklibraries.org](http://anythinklibraries.org).
