November Programs at Anythink Perl Mack

DENVER—October 25, 2011—With the temperature dropping outside, it's all the more reason to spend time at your local Anythink. Learn new creative ways to make centerpieces and fold napkins in time for the holiday season. And for all the competitors out there, there are cool gaming programs that work both the mind and body.

Please note: All Anythink locations will be closed on Nov. 11 in observance of Veteran's Day, and Nov. 24-25 in observance of Thanksgiving.

Explore on the Floor

A new way to explore early literacy! This drop-in program is for children up to 6 years old and their parents. Six different centers will be set up reflecting each early literacy skill. Centers may include books, hands-on activities, crafts or music. Participants will be gathered together two times during the hour to do a group movement or story activity. This is a new and exciting way to create the path to lifelong learning.

Music and Movement

Tuesdays, 11 am

Join Ms. Rene for a great time in this program for 3-6-year-olds who love to dance, sing and have a good time! We'll play games, use easy musical instruments, shake bean bags and parachutes, and get ourselves moving and grooving.
