A REVOLUTION OF RANGEVIEW LIBRARIES

Todd Cordrey Joins the Anythink Team as Brighton Manager

Local Resident Brings Public Administration Experience to Library

BRIGHTON, Colo.–Jan. 25, 2010–Todd Cordrey, former board president for School District 27J, is officially an Anythinker. He will lead the Anythink Brighton team as manager at the new library, which opened in September 2009. His love of libraries and his public administration experience make him the perfect fit for Anythink Brighton.

Cordrey received his bachelor's degree in real estate and finance from New Mexico State University in May 1991. He is currently working towards his Master of Public Administration from the University of Colorado, School of Public Affairs. In December 1997, Cordrey founded American Dream Home Realty in Brighton, Colo.

A passionate advocate for public policy and community partnership, Cordrey served on the boards of Almost Home, Inc., a non-profit housing corporation; School District 27J; and the Rangeview Library Friends Foundation board, which he has since resigned upon accepting the manager position in Brighton.

Cordrey enjoys running and spending time with his wife, Margo, and their three children. He was a frequent customer of Anythink Brighton for many years prior to taking the position.

"Anythink Brighton has become the heart of our city, and it is an honor to serve our entire community as the library manager," says Cordrey. "The library provides our community with incredible opportunities to be inspired and grow intellectually."
