November Programs at Anythink Thornton

THORNTON, Colo.—October 21, 2009—We have a month of exciting programs scheduled in November at Anythink Thornton. Enjoy everything from cooking demonstrations to author visits – or just spend time with your family playing games and hearing stories.

Special Programs

Fall Food Demonstration

Wednesday, November 11, 6:30 pm

Come by and learn to cook yummy fall dishes with a nutritionist.

National Gaming Day

Saturday, November 14, all day

Help us celebrate games by playing Wii, Xbox, and board games with friends throughout the library.

Cover Letter and Resume Writing Workshop

Wednesday, November 18, 6:30-7:30 pm

Join Daniella Bensimon, admissions representative from Kaplan College, for an informative presentation on creating cover letters and resumes to help market yourself and get the job you really want.

Thornton History Talk

Saturday, November 21, 1:30-2:30 pm

Local Thornton author and journalist Tonja Castaneda will discuss her pictorial history book, *Thornton*. Tonja will cover some of the highlights of Thornton history, including Hollywood movie star Jane Russell coming to Thornton in 1953 and 1986; developer Sam Hoffman building the first homes in Thornton at around 88th Avenue and Washington Street; how new citizens lived without telephones, street lights and stores when Thornton's first homes were built. Many photographs that did not make it in the book's final printing will be on display, and two copies of her book will be raffled off. Come share your stories during this wonderful trip down memory lane.

Active Minds Presents “Inventions that Changed the World”

Tuesday, November 17, 2-3 pm

Human beings often invent by learning from nature and famous inventions frequently have as much to do with chance as they do with intelligence and curiosity. This presentation tells the fascinating stories of inventions and inventors that changed the world – the telephone, penicillin, Velcro and Braille.

All events are free and open to the public. For more information, please call Anythink Thornton at 303-287-2514; visit us at 8992 Washington Street, Thornton, CO 80229; or go to anythinklibraries.org.

About Anythink™

Anythink is a new style of library – a place of unlimited imagination, where play inspires creativity and lifelong learning. Rangeview Library District serves the residents of Adams County with six Anythink libraries and [Anythink in Motion](#) – the district’s mobile library. Construction is underway on two new libraries scheduled to open in 2010. For more information, go to anythinklibraries.org.
