- You are a genius when it comes to clean; straightening, picking up and disinfecting are right up your alley.

- You love your library, wanting to expand and enhance library services as well as being an informal advocate of the library in your community.
- You are a lifelong learner and are eager to learn new skills and embrace transformative experiences.
- You are an active member of the community, excited to learn more about Anythink's purpose and mission.

**Do you have what it takes?**
