Renovated Anythink Commerce City Debut

What: Rangeview Library District celebrates the reopening of its Anythink Commerce City library on Saturday, Nov. 13, after extensive renovations and a 2,300-square-foot addition. Guests can learn more about the planned community garden, create their own seed balls, and enjoy music from Kearney Middle School’s Jazz Band and Anythink Commerce City’s own Andrew Wickins. Tasty fall favorites will be served throughout the afternoon.

Renovations include a new entry plaza facing the corner of 72nd and Monaco; a children’s pavilion, computer lab and teen area; and a reading nook with fireplace. Sustainable elements including carpeting made from recycled materials, geothermal heating and cooling system, Solatubes and a “green” roof atop the children’s area, planted with xeric local flora.

When: Saturday, Nov. 13, 2010, 1-6 pm

Where: Anythink Commerce City
7185 Monaco St.
