COMMERCE CITY, Colo.–Nov. 23, 2009–Learn, create and explore this December at Anythink Commerce City.

Special Programming

Anythink Commerce City Community Meeting

Thursday, Dec. 3, 6 pm

Architect Dennis Humphries of Humphries Poli Architects reviews the design development for Anythink Commerce City's proposed renovations, scheduled to begin in early 2010. Features of the renovation include a new entry plaza facing the corner of 72nd and Monaco; a children's pavilion, computer lab and teen area; and a reading nook with fireplace looking out onto a small enclosed garden. Sustainable features include geothermal heating and cooling, SolaTubes for natural light and a green roof.
