THORNTON, Colo.—Sept. 20, 2010—Incredible programs for all ages are available this month at Anythink Huron Street. Whether you’re interested in exploring the Web or your own unique ice cream flavor, Anythink’s got you covered.

**Special Programs**

**You Scream, I Scream for Teens**  
**Wednesday, October 13, 3-4 pm**  
Make your own hauntingly delicious ice cream in creative flavors you come up with yourself.

**Open Computer Lab**  
**Monday, October 25, 10-11:30 am**  
Here is your chance to get one-on-one help on a computer from a librarian. Whether you need help with your e-mail, writing a résumé, searching the Internet, or using a Microsoft application, feel free to ask questions in a relaxed atmosphere. Appropriate for all ages. Space is limited; registration required. Please visit our online calendar to register.

**Murder Mystery**  
**Thursday, October 28, 6-7:30 pm**  
Help solve the mystery of the Lethal Luau. Come watch the action unfold. Or, if you’d like a speaking part in this adventure, see Dara by October 20. Appropriate for students grades 9-12.

**Children’s Programs**

**Tales to Tails**  
**Saturday, October 16, 10 am-12 pm**  
Come and read to our special listening dogs. They love a good story! Our dogs come from the American Humane Association and are specially trained; an especially good experience for reluctant readers or children who are afraid of dogs. Appropriate for ages 6-12. Space is limited; registration required. Please call 303-452-7534 to register.
**Primetime for Preschoolers**  
**Tuesdays and Wednesdays, 10-10:30 am**  
Preschoolers learn stories, songs, games, finger plays and pre-reading skills. Lots of fun for preschoolers and their caretakers. Appropriate for ages 4-6. Space is limited; registration required. Please visit our online calendar to register.

**Baby Bounce**  
**Tuesdays, 11-11:20 am**  
Bring your baby to the library and have a great time with songs, rhymes, and special bounces just for you and your little one. Appropriate for ages birth-23 months. Space is limited; registration required. Please visit our online calendar to register.

**Music and Movement**  
**Wednesdays, 1:30-2:15 pm**  
Let’s move and groove! Have lots of fun singing and moving to music. Appropriate for kids ages 3-6 and their caretakers. Space is limited; registration required. Please visit our online calendar to register.

**Toddler Tales**  
**Thursdays, 10-10:20 am and 11-11:20 am**  
We’ll have stories, songs, and finger plays just for toddlers. We include lots of interaction between toddlers and their caretakers. Appropriate for ages 2-3. Space is limited; registration required. Please visit our online calendar to register.

**Family Programs**

**Costume Parade**  
**Saturday, October 30, 1:30-2:30 pm**  
Put on your costume and come to the library for a special story time, craft and parade.

**Cozy, Dozy Stories**  
**Mondays, 6:30-7 pm**  
Kids come in their pajamas, bring a blanket and favorite stuffed animal for a comfy time listening to stories with their favorite adults before going to bed. This family story time is perfect for working parents. Space is limited; registration recommended. Please visit our online calendar to register.

**Teen Programs**

**Tween Book Club and Advisory Board**  
**Tuesday, October 5, 4-5 pm**  
Come talk about the best books you’ve read in the last month, plus get new ideas of things to read for this month. Participate in our advisory board tell us what you think and help make the library better. Appropriate for students grades 6-8.

**Teen Book Club**  
**Wednesday, October 6, 3-4 pm**  
Discuss the best books you’ve read in the last month, plus get new ideas of things to read for this month. Participate in our advisory board tell us what you think and help make the library better. Appropriate for students grades 9-12.
Creative Writing Group
Thursday, October 7 & 21, 6-7:30 pm
Calling all writers – bring work to share and hone your skills through peer critiques. Appropriate for teens and adults.

Tween Craft
Tuesday, October 12, 4-5 pm
From duct tape to bottle caps, we’ll come up with a new craft every month. Hang out at the library and make something cool. Appropriate for students grades 6-8.

Game Night
Thursday, October 14, 6-7:30 pm
Come show off your skills and learn new games with the Wii, Xbox, board games and more. Appropriate for students grades 6-12.

Tween Alien Autopsy
Tuesday, October 19, 4-5 pm
Learn about alien life by dissecting a specimen and play the space trivia challenge. Appropriate for students grades 6-8.

Teen Craft
Wednesday, October 20, 3-4 pm
From duct tape to bottle caps, we’ll come up with a new craft every month. Hang out at the library and make something cool. Appropriate for students grades 9-12.

Tween Scary Stories and Craft
Tuesday, October 26, 4-5 pm
Read scary stories and create a spooky craft. Help decorate a scary room for younger kids. Appropriate for students grades 6-8.

Costume Make-up
Wednesday, October 27, 3-4 pm
Practice scars, blood, and all kinds of other fun make-up effects. Appropriate for students grades 9-12.

Adult Programs

Talk Around the World Series
Wednesdays, October 6, 20 & 27, 1-2:30 pm
This is a cross-cultural program promoting conversation and cultural exchanges in the Rangeview Library District. We will provide a chance to share and celebrate our cultural similarities and differences through food, music, dance and film.

Craft Night
Tuesday, October 12, 7-8 pm
Learn a new handicraft and take home a craft for yourself or as a gift.

Resident Genealogist is in
Wednesday, October 13, 1-3 pm
Learn about the resources available at your library and beyond to help you research your family history. Sessions are by appointment only. Please call 303-452-7534 to register.
Mighty Monday Book Club  
Monday, October 18, 2-4 pm  
Join us this month as we discuss *Olive Kitteridge* by Liz Strout. We will also begin to choose books to discuss next year.

Tuesday Tales Book Club  
Tuesday, October 19, 2-4 pm  
For October, we discuss *Doc Susie: The True Story of a Country Physician in the Colorado Rockies* by Virginia Cornell. We will also begin to choose books to discuss next year.

Tech Classes

Navigating Within Your E-Mail  
Monday, October 4, 10-11:30 am  
Do you have an e-mail account but want to learn how to do more with e-mails? Come to this class and learn how to open an attachment, attach a document or picture, and use folders. The class requires participants to have basic computer skills such as how to use a mouse and keyboard. Appropriate for all ages. Space is limited; registration required. Please visit our online calendar to register.

Microsoft Word Basics  
Monday, October 11, 10-11:30 am  
This class will get you started on how to create, save, open, and edit a Word document. Specifically, you will also learn how to format and modify the font, page set-up, and navigate in a Word document. Bring a flash drive or use your e-mail to save your work. Appropriate for all ages. Space is limited; registration required. Please visit our online calendar to register.

Surf the Net!  
Monday, October 18, 10-11:30 am  
Do you know how to surf? Tired of fishing? Get some tips on how to effectively surf the Internet. Rather than fishing through numerous results, you will learn how to get more relevant, quality results from a search engine. The class requires participants to have basic computer skills such as how to use a mouse and keyboard. Appropriate for all ages. Space is limited; registration required. Please visit our online calendar to register.

*All events are free and open to the public. For more information, please call Anythink Huron Street at 303-452-7534; visit the library at 9417 Huron Street, Thornton, CO 80260; or go to anythinklibraries.org.*

About Anythink™

Anythink is a new style of library – a place of unlimited imagination, where play inspires creativity and lifelong learning. Rangeview Library District serves the residents of Adams County with seven Anythink libraries and Anythink in Motion – the district’s mobile library. Construction and renovations are underway on three existing libraries, all scheduled to open in 2010-2011. For more information, go to anythinklibraries.org.
