Family Programs

Tales to Tails
Saturday, May 5, 10 am-12 pm
Come and read to our special listening dogs – they love a good story! Our dogs come from Denver Pet Partners and are specially trained. This is an especially good experience for children and reluctant readers ages 6-12 who are afraid of dogs. Space is limited; please register at the front desk.

Family Fun Saturday: Spring Ladybug Rocks
Saturday, May 19, 1-3 pm
Be a kid again! On the third Saturday of every month, we host a Family Fun Saturday with an activity and snacks. This Saturday we’ll be making ladybug rocks – and these ladybugs are guaranteed not to fly away! Come paint your own ladybug rocks and find out a bit more about this colorful bug.

Children’s Programs

Bingo for Books
Thursdays, May 3, 17 & 31, 4-5:30 pm
On these Thursdays in May, we’ll host Bingo for Books for all ages. Teens, tweens, families and children are welcome to join in the Bingo fun, with books for prizes. Space is limited; registration required. Please visit our online calendar to register.
Thursday Crafternoons
**May 10 & 24, 4-5:30 pm**
On the second and fourth Thursdays of the month, we host a general Crafternoon for all ages. Teens, tweens, families and children are welcome to create with assorted crafting supplies.

Two Ways to Say Storytime
**Thursdays, 6:30-7 pm**
Join us at the library every Thursday as we host a bilingual storytime for children and their parents. Come on down and enjoy stories in both English and Spanish.

Teen Programs

Creation Space
**Wednesday, May 9, 3:30-5 pm**
Do you like to draw? Write? Make films? If the answer is yes to any of these questions, then the Creation Space is the place for you. We provide a quiet space to create – no grades and no judgment. Share if you wish, or keep you work to yourself. Any way is good. So please stop by and join the fun.

*All programs are free and open to the public, unless otherwise stated. For more information, please contact Anythink Commerce City at 303-287-0063; 7185 Monaco St., Commerce City, CO 80022; or visit anythinklibraries.org.*
