Join Ms. Rene and take some time creating your own kite for some outdoor fun. We’ll use simple paper and tape materials to make our floating masterpiece. Appropriate for students in grades K-5.

Obstacle Course Games
Wednesday, May 23, 5:30 pm
Run, run, run and have fun, fun, fun! Let’s run and jump, and play together at the library! Appropriate for students in grades K-5.

Explore on the Floor
Tuesdays, 10 am
A new way to explore early literacy! This drop-in program is for children through 6 years old and their parents. Six different centers will be set up reflecting one of each of the early literacy skills. Centers may include books, hands-on activities, crafts or music. Participants will be gathered together two times during the hour to do a group movement or story activity. This is a new and exciting way to create the path to lifelong learning.

Music and Movement
Tuesdays, 11 am
Join Ms. Rene for a great time in this program for 3-6-year-olds who love to dance, sing, and have a good time! We will play games, use easy musical instruments, shake bean bags and parachutes, and get ourselves moving and grooving.
