Book Club @ Wright Farms

Tuesday, Aug. 21, 9:30-11 am

Join us for a discussion of *The Immortal Life of Henrietta Lacks* by Rebecca Skloot. Henrietta Lacks was a poor southern tobacco farmer working the same land her slave ancestors had. She became immortal when her cells were taken without her permission.

Her cells, the first to be grown culturally, were sold by the billions and used to develop the polio vaccine and to understand cancer. Her cells spawned a multimillion dollar industry. She and her family never received a cent.

All events are free and open to the public. For more information, please call Anythink Wright Farms at 303-405-3200; visit the library at 5877 E. 120th Ave., Thornton, CO 80602; or go to anythinklibraries.org.
