***MEDIA ADVISORY***

Anythink Brighton Makerspace Grand Opening

WHAT: Anythink celebrates the opening of its first teen makerspace at Anythink Brighton on Wednesday, Dec. 5. Community members and media are encouraged to visit the space, experiment with the various tools and talk with staff about the exciting new programs the space will support for Brighton teens. Guests are also encouraged to participate in Anythink’s Gifts from the Heart festivities.

The makerspace at Anythink Brighton is the first of its kind in both the Brighton community and the library district, and will serve as an idea lab and creation space for teens to explore their creativity and cultivate their imaginations in interactive, hands-on ways. Anythink Brighton staff will mentor teens in the space to support learning, inspire creativity, and nurture opportunities for the next entrepreneur, inventor or artist to emerge. They will also use the space to enhance and expand the library’s existing programs for all ages.

WHEN: Wednesday, Dec. 5, 2012
3:30-6 pm

WHERE: Anythink Brighton
327 E. Bridge St.
