August Programs at Anythink Huron Street

THORNTON, Colo.–July 28, 2011–This month, Anythink Huron Street focuses on adult and tech programs while our children’s and teen guides visit local schools before the new year begins. Let us help you navigate everything from job searching to Internet searching this month at Anythink.

Adult Programs

Craft Night: PLARN

Tuesday, Aug. 9, 7-8 pm

Bring some plastic grocery bags – the more colorful the better. We’ll make something cool.

Mighty Monday Book Club

Monday, Aug. 15, 2-4 pm

This month’s read: *The Immortal Life of Henrietta Lacks* by Rebecca Skloot. This is the story of the “real live woman,” the children who survived her, and the interplay of race, poverty, science and one of the most important medical discoveries of the last 100 years.

Tuesday Tales Book Club

Tuesday, Aug. 16, 2-4 pm

This month’s read: *The Guernsey Literary and Potato Peel Society*, by Mary Ann Schaffer. A letter from a stranger sends journalist Juliet Ashton to the Channel Islands, where she learns the remarkable story of the literary society founded under German occupation during World War II.

Anythink Works

Mondays, 9:30-11:30 am

Are you frustrated and feeling isolated as a job hunter? Join a supportive, networking, and skills-sharing weekly meeting. All career changers are welcome. Refreshments provided.

- more -

CASA: What Is It and What Do They Do?

Wednesday, Aug. 24, 6:30-8 pm

The Colorado Court-Appointed Special Advocates will tell true stories about making a difference in the life of a child.

Tech Classes

Navigating Within Your Email

Tuesday, Aug. 9, 10-11:30am

Do you have an email account but want to learn how to do more with emails? Come to this class and learn how to open an attachment, attach a document or picture, and use folders. The class requires participants to have basic computer skills, such as how to use a mouse and keyboard. All ages are welcome. Space is limited; please visit our online calendar to register.

Microsoft Word Basics

Tuesday, Aug. 16, 10-11:30am

This class will get you started on how to create, save, open, and edit a Word document. Specifically, you will also learn how to format and modify the font, page setup, and navigate in a word document. Bring a flash drive or use your email to save your work. All ages are welcome. Space is limited; please visit our online calendar to register.

Microsoft Publisher Basics

Tuesday, Aug. 23, 10-11:30am

Using Publisher, you can create flyers, brochures and newsletters. This user-friendly application allows you to easily input graphics, photos and text to make a high-quality publication. This class requires participants to have intermediate computer skills, such as opening and saving files. All ages are welcome. Space is limited; please visit our online calendar to register.

Open Computer Lab

Tuesday, Aug. 30, 10-11:30am

Here's your chance to get one-on-one help on a computer from a tech guide. Whether you need help with your email, writing a résumé, searching the Internet, or using a Microsoft application, this is your chance to ask questions in a relaxed atmosphere. Space is limited to 6 participants. All ages are welcome. Space is limited; please visit our online calendar to register.

All events are free and open to the public. For more information, please call Anythink Huron Street at 303-452-7534; visit the library at 9417 Huron St., Thornton, CO 80260; or go to anythinklibraries.org.

About Anythink™

Anythink is a new style of library – a place of unlimited imagination, where play inspires creativity and lifelong learning. Rangeview Library District serves the residents of Adams County with seven Anythink libraries and Anythink in Motion – the district's mobile library – and is one of the recipients of the 2010 National Medal of Museum and Library Service from the Institute of Museum and Library Services. For more information, go to anythinklibraries.org.
