Anythink Hosts National Dance Day Performance

Community Members of All Ages and Abilities Invited to Learn and Perform Specially Choreographed Dance

THORNTON, Colo.—July 15, 2013—To celebrate this year's National Dance Day, Anythink invites community members to dance together in a group performance on Saturday, July 27, 2013, at 9:30 am. The dance, specially choreographed for Anythink by dance instructor Julie Cutright of Broomfield Academy, is designed for participants of all ages and abilities. Anythink is hosting three practice sessions where interested customers can learn the dance routine prior to the final performance, which will be held in the parking lot at Anythink Wright Farms on July 27.

National Dance Day, created by “So You Think You Can Dance” co-creator and Dizzy Feet Foundation co-president Nigel Lythgoe, is a grassroots campaign to encourage healthy lifestyles and combat obesity through dance. This effort is very much in line with Anythink's goal to support creativity and healthy living in Adams County.
