DENVER—September 2, 2011—In September, Anythink Perl Mack brings back the popular “Music and Movement” program with Ms. Rene and a new version of preschool storytime – now called “Explore on the Floor.”

Anythink Superheroes

Wednesday, Sept. 21, 6 pm

Create your own superhero with his/her own logo, look and special abilities. This program is intended for students in grades K-6.

Explore on the Floor

Tuesdays, 10 am

This is a new and exciting way to explore early literacy while creating a path to lifelong learning. This drop-in program is for children through 6 years old and their parents. Six different centers reflecting early literacy skill will be set up. Centers may include books, hands-on activities, crafts or music. Participants will be gathered together two times during the hour to do a group movement or story activity.

Music and Movement

Tuesdays, 11 am

Join Ms. Rene for a great time in this program for children ages 3-6 who love to dance, sing and have a good time. We’ll play games, use easy musical instruments, shake beanbags and parachutes, and get ourselves moving and grooving.

Teen Programs

Teen Night: Sport Stacking

Monday, Sept. 19, 6 pm

See if your hands can work quickly in this popular game of skill. Appropriate for teens in grades 6-12.
