## Anythink offers new ebook resource

## *Total Boox latest addition to digital catalog*

THORNTON, Colo.—May 1, 2015—In continuing to provide a comprehensive variety of [ebook offerings](#), Anythink has added [Total Boox](#) to its catalog. Anythink customers can use Total Boox to check out more than 35,000 titles directly to their tablet, smartphone or other device from home.

Total Boox features a simple, user-friendly interface with a unique approach to ebook lending. Once the Total Boox app is downloaded, customers are able to use their Anythink card to browse and check out ebooks in a wide variety of subjects. Customers may choose to download any titles without holds or expirations. Additionally, downloaded titles remain a permanent part of an individual's collection that can be accessed at any time, even offline.

“Our customers are going to love Total Boox,” says Logan Macdonald, director of products and technology. “The Total Boox app is very user-friendly, and they have a great collection of ebooks.”

Total Boox joins Anythink's [comprehensive digital collection](#) that includes everything from ebook and audiobook borrowing through OverDrive, Axis360 and OneClickdigital; digital magazines from Zinio; and music, film and TV streaming with hoopla digital. Anythink also offers a variety of [learning and information resources](#) like Rosetta Stone, lynda.com, Consumer Reports, Business Source Premier and LearningExpress Library. These resources give Anythink customers the opportunity to learn, explore and have fun from the comfort of home.

## About Anythink™

Anythink is a new style of library – a place of unlimited imagination, where play inspires creativity and lifelong learning. Rangeview Library District serves the residents of Adams County with seven Anythink libraries and [Anythink in Motion](#) – the district's mobile library – and is one of the recipients of the 2010 National Medal of Museum and Library Service from the Institute of Museum and Library Services. For more information, go to [anythinklibraries.org](http://anythinklibraries.org).
